ABOUT PERFORMANCE. ABOUT ENTERTAINMENT. ABOUTGOLF.

aboutGolf provides the most flexible simulators available. Many clients require this type of versatility. Our simulators are available in a variety of sizes and configurations, with both standard and custom designs. The aboutGolf experienced team specializes in creating a design that fits your unique needs. Whether it's challenging space restrictions or specific cosmetic requests, we will work with you to create a personalized solution.

CLASSIC

The Classic has a traditional layout and provides a truly classic golf experience. It is an ideal solution for any customer type, including retail, indoor golf centers, homes, golf courses, and academies.

15'-16' wide x 18'-20' deep x 9'-11' tall

WIDESCREEN

Our Widescreen option provides an optimal experience for cinema, gaming, or golf. Multi-purpose entertainment is taken to new heights with the stunning image and features of the Widescreen.

16'-20' wide x 18'-20' deep x 9'-11' tall

IMPACT

The Impact is designed to fit into smaller spaces with the same playability as its larger counterparts. It is ideal for residential homes, resorts, cruise lines, restaurants, bars, and more where space is more limited.

12'-14' wide x 18'-20' deep x 9'-11' tall

CURVE

Our most versatile and dynamic simulator for any home or business. Infinite possibilities in simulator width, arc length, curve depth, and peripheral view make it flexible enough to fit most spaces.
